

# BiALIGN Workshop

# CHI'26

**Human-AI Interaction Alignment: Designing, Evaluating, and Evolving Value-Centered AI For Reciprocal Human-AI Futures**

**SUBMISSION**

**Feb 18, 2026**

**NOTIFICATION**

**Mar 2nd, 2026**

**WORKSHOP**

**Apr 15, 2026**

**WEBSITE**

<https://bialign-workshop.github.io>

All deadlines are 11:59 pm ("Anywhere on Earth")

## Organizers

**Hua Shen**  
NYU Shanghai,  
NYU

**Tiffany Knearem**  
MBZUAI

**Divy Thakkar**  
Google Deepmind

**Pat Pataranutaporn**  
MIT

**Yike Shi**  
CMU,  
NYU Shanghai

**Jenny Liang**  
CMU

**Anoop Sinha**  
Google Research

**Tanu Mitra**  
UW

**Lama Ahmad**  
OpenAI

**Brad Myers**  
CMU

**Yang Li**  
Google Deepmind

## Call For Papers

- ❖ **Value-Centered Alignment Mechanisms:** Embedding fairness, agency, equity, and responsibility into (agentic) AI systems
- ❖ **Novel Alignment Demands for Responsible AI:** human-centered alignment demands and goals for responsible AI
- ❖ **Designing and Interacting for Alignment:** Interfaces, explanation, and participatory methods for steering (agentic) AI
- ❖ **Evaluating Alignment and Societal Impacts:** Metrics and frameworks for technical and social assessment
- ❖ **Dynamic Co-Evolution of Human-AI Futures:** Strategies to maintain alignment as humans-AI mutually adapt

**CHI 2026 BiAlign  
Workshop Website**

## Submission

- ❖ **Format:** We call for **2-page (tiny)**, **4-page (short)**, and **8-page (long)** papers, excluding references, **NOT** anonymized.
- ❖ **Template:** [CHI Publication Formats](#) template in a **2-column** format.
- ❖ **Submission Portal:** <https://openreview.net/group?id=ACM.org/CHI/2026/Workshop/BiAlign>
